

Dear Friend:

As president of CLAS, I have worked with Joanne Fehn for over 10 years. In our business dealings, her level of professionalism and integrity is at the highest conceivable level.

Joanne Fehn has established herself as a truly capable candidate for Circuit Court judge. She is a proven attorney, law professor, mediator with a wealth of knowledge, skill and experience.

I am excited to be a part of her campaign team. I have absolutely no reservations in requesting your support for Joanne. If given the opportunity, she will make us proud.

Thank you,

Randy Moore
